## LJCDSPA Parents' Association Volunteer Opportunities

Throughout the year there are many opportunities for you to participate and support the school. These range from helping out in the classroom to providing luncheons for the faculty and staff, supporting the annual Back to School Picnic and helping with our annual auction gala in May. Whether you can give an hour or have a full day available to help, we would be happy to have you join our team!

The following are descriptions of some of the events where you can help. Simply complete the Volunteer Form on our website [www.ljcdspa.org](http://www.ljcdspa.org) or check off what you are interested in and mail it back me at 12845 Baywind Point, San Diego, CA 92130.

Thank You!
