Dear Parents,

It is my pleasure to welcome you to the 2009-2010 school year.

We anxiously await the fall opening of our new Kindergarten complex, a spectacular second home for our dedicated teachers and eager young learners!

The role of the Parents' Association is to create a strong, close knit community of families, to provide support for our teachers in the classrooms, celebrate our faculty and staff, and raise funds for faculty enrichment, tuition assistance, and to fund the teachers' wish list. I encourage you to become part of this wonderful association! The \$40.00 annual family membership helps to fund the Back to School Picnic, faculty and staff appreciation luncheons, and celebrations in the classrooms for the students. I am still amazed, after having been a member of our community for eight years, at the outpouring of generosity amongst our families for one another, our children, and our faculty.

We look forward to seeing you at our monthly Parents' Association town hall meetings. Please join us the first Thursday of each month, to learn more about the wonderful second home that you have chosen to enrich your children's lives! At the PA meetings, you will be enlightened on a different aspect of Country Day, each month. Please feel free to ask questions and get involved. We want to hear your voice! We invite you to share your thoughts, questions and/or suggestions at the PA meetings, or on our web site www.ljcdspa.org. Personal contact among parents and PA board members is welcome and encouraged. Please feel free to contact any of us with questions or suggestions. Our contact information is listed below. The PA board is comprised of parents that have children in each division at Country Day.

In addition to the meetings, please watch for our monthly e-blast, the PA Newsbrief. This newsletter provides a summary of the information discussed at the PA meetings, and includes a list of resources regarding the topic presented.

We have many volunteer opportunities! Becoming involved in the PA is a great way to meet parents from all divisions and discover the magic of our community of parents, students, faculty and staff. Please take a moment to familiarize yourself with our website www.ljcdspa.org, where you will find a wealth of useful information for the coming school year.

I look forward to seeing you at the Welcome to School Breakfast on Tuesday, August 25th at 8:00am. Until then, enjoy the summer!

Warmly,

RobynAnn D. Nelson
